

Senior School Assessment Policy (Year 11-12)

It is mandatory at IQRA College that all students in the Senior School (Year 11 – 12) complete and submit all assessment items including drafts. The school's assessment policy has been developed to achieve consistency, fairness and predictability so students know what will happen based on the choices they make. You can refer to SACE website to further understand the assessment process (www.sace.sa.edu.au/)

Student's Responsibilities:

- Ensure that all tasks are the original work of the student.
- Reference accordingly.
- Complete all assessment tasks by the due date.
- Hard copy - Assessment tasks must be submitted by 4:00pm on the due date.
- Electronic copy - Assessment tasks must be submitted by 4:00 on the due date.

Academic integrity and academic misconduct

IQRA College promotes academic integrity. Academic integrity is how a person approaches their academic responsibilities in an honest, moral and ethical way. Teachers, parents/guardians and others who support students in their learning must adhere to the guidelines for academic integrity.

Plagiarism, the copying of another person's ideas, text, or other creative work and presenting it as one's own, is not tolerated. Examples of plagiarism include:

- Copying or closely paraphrasing sentences or paragraphs.
- Copying ideas, concepts, tables, designs, sounds, images, music, scripts, research data mathematical workings etc.
- Copying or adapting another student's work.
- "Cutting and pasting" statements gathered from a variety of sources.
- Submitting work produced by someone else on the student's behalf.

IQRA College uses 'Turnitin', an originality checking and plagiarism prevention service that will help our students in checking their writing for citation mistakes or inappropriate copying. Duplicated work (students submitting identical work) will be picked up by 'Turnitin' and when this happens, both students will be given the opportunity to re-submit their work.

Late or non-submission of assessment tasks

In the event of non-submission by due date or late submission of an assessment item – the drafts or planning evidence will be used in awarding a level of achievement. Teachers make judgments based on evidence of student work collected for the purposes of authentication, during the assessment preparation period.

Details of coursework and assessment requirements within specific subject areas are provided by teachers in a timely fashion in order to allow students to plan their study programme and take responsibility for managing their study time and habits. Students will be given their assessment tasks/assignments each term.

Academic Consequences for Late or Non-Submission of Assessment Tasks

If there is no evidence available to award a judgement, an assessment item is recorded as a 'Non-Submit' as a standard can only be awarded where evidence has been demonstrated. In cases of non-submission of student responses, an 'E' standard cannot be awarded where there is no evidence for it. Students who do not submit assessment risk not being given credit for completing that semester in the subject. This may impact on their Exit Level of Achievement in the subject, and correspondingly their ATAR and SACE eligibility.

Behavioural Consequences for Late or Non-Submission of Assessment Tasks

Students failing to submit assessment, parents will be invited to school for a discussion.
