"My Lord, Increase me in Knowledge"

ISSUE 1, TERM 1, 2021

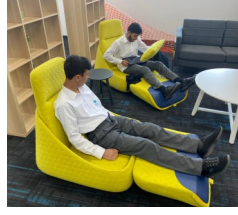

## What's happening at IQRA?

First student on the first day of school! Enthusiasm is high!

High School Study Area almost complete.

Eager souls trying out the sofa. A quick stretch before resuming studies.

I am learning while having fun. Didn't know Reception is a joy!

## Attendance

Did you know that missing half a day at school each week equates to one month of missed learning each year? Let's aim for a 100% school attendance this year, inshaAllah.

However, if your child is not well, your support to keep your child at home is appreciated.

## Student Representative Council (SRC)

The objectives of the SRC are:

- To develop positive attitudes and to practice good citizenship.
- To promote harmonious relations throughout the entire school.
- To provide a platform for student expression.

Elections will take place in Week 3 and the student with the most votes in each class will be elected as the class SRC for the year.

## Celebration Policy

IQRA College only celebrates the two Eid days thus no other celebration will take place in the school and this is part of the school policy of celebration. The school will not be able to accommodate parents' request such as giving away birthday gift bags and/or having a celebration in class. The school also takes into consideration sensitive matters such as student allergies and financial hardships. Parents' understanding in this matter is greatly appreciated.
